## PCS SCHEDULE

Now, A facility scheduling program that no parish can afford to go without...

- Manage all of the resources in and affiliated with your parish from one, centralized, accessible location!

Easy to use, built-in calendar shortcut features all but eliminates tedious data entry!

Mon	Tue	Wed	Thu	Fri	Sat	Sun
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	1	2	3	4	5

- Keep track of all the organizations recognized by your parish in a single, manageable database
- Never double-book again! With PCS Schedule, you can easily assign a resource such as the church hall or meeting room on an individual or recurring basis for months or years to come.
- Now you can check existing reservations and accommodations in seconds, and fulfill any organization's reservation request in moments — *without* having to worry about conflicting agendas

- Publish to the Web using PCS' Web Publish feature! By posting resource availability on the Web, all resource information can be reviewed over the Internet. So, as a parish, you can quickly minimize phone traffic and maximize efficiency.
- With a database of organizations and resources that is simple to update and maintain, PCS' Schedule program becomes more and more intuitive with each use.
- Print or preview a range of reports and schedules for any combination of inquiries for easy reference
